# Who We Are

Established in 2013, Cali Roll is a high school level girls' ultimate club team that was formed to provide girls the opportunity to play competitively. As more playing opportunities have emerged over time, Cali Roll continues to bring together players from across the Bay Area to play at a high level, primarily in open college tournaments.

## Values

- Inclusiveness
- Team building
- Leadership
- Individual skill development

## Roster

Cali Roll is looking for players aged 13-18 who embody our team values.

We expect to name 25 players to Cali Roll's roster this season with up to 5 additional practice players. Practice players may be invited to tournaments based on attendance, roster limits, and dedication to team values.

## Practices & Tournaments

The team will practice once or twice monthly from November through April, often in the East Bay with some rotation to further south.

Cali Roll typically plays in about one tournament a month from January to April. Since we usually play in several college open tournaments, our 2021-22 schedule is still up in the air as the USAU College Division is reestablished.

# Tryouts

**October 10 (Sunday), 2-5pm**

**October 16 (Saturday), 9am-12pm**

Location: Lower Washington Park, Alameda

Please bring cleats, a disc, a dark and a light jersey, and your own snacks and water. We encourage players to attend both days of tryouts. Please let us know if you have conflicts with either or both dates.

Players will need to follow current [USAU COVID guidelines](#) to participate in Cali Roll events, including tryouts.

## Fundraising

Players are expected to participate in team fundraising activities. Funds raised from these events will be used to provide scholarships and subsidize team expenses such as tournament fees and travel costs.

## Team Expenses

Players that are selected to join the team will be required to pay a registration fee that covers fields and insurance for the season. Players will be responsible for their travel expenses and additional tournament fees.

Scholarships are available to cover player expenses as needed.

# Coaches

## Lindi

Lindi began coaching girls' high school ultimate in 2008 by helping found the Radnor High School Girls' team outside of Philadelphia. Upon arriving in the Bay Area, she was recruited to help found and coach California Roll, which at the time was the sole girls' team in the Bay Area (thankfully that's changed!). She has helped transform Cali Roll into a competitive traveling team while continuing to foster its inclusiveness. Her primary focus is building individual skills and sewing them into the fabric of a team.

## Puma

Anne Marie, or "Puma", began playing ultimate frisbee while teaching middle and high school in the Dominican Republic. She got her first taste of coaching by running an after-school ultimate frisbee team for her students. A few years later, she moved to California for graduate school and played for 2 years with Stanford Superfly. Currently, she's a player on Nightlock, a Bay Area women's club team. This is her fourth year coaching Cali Roll. She can't wait to get back on the field after way too much time away!
