Cali Roll & Dragon Roll: Who We are

Established in 2013, Cali Roll is a high school level ultimate club team formed to provide our players the opportunity for competitive play in the girlx division. As more playing opportunities have emerged over time, Cali Roll continues to bring together players from across the Bay Area to play at a high level.

Established in 2024, Dragon Roll is a middle & high school club team that focuses on player development and creating a team-oriented space for players looking for competitive play outside of their school environment. Players on this team will be able to build their skills so that they can grow into new or more established roles on the field while also developing as leaders.

COACHES

Lindi began coaching girls' high school ultimate in 2008 by helping found the Radnor High School Girls' team outside of Philadelphia. Upon arriving in the Bay Area, she was recruited to help found and coach California Roll, which at the time was the sole girls' team in the Bay Area (thankfully that's changed!). She has helped transform Cali Roll into a competitive traveling team while continuing to foster its inclusiveness. Her primary focus is building individual skills and sewing them into the fabric of a team.

Thalia started playing ultimate frisbee here in the Bay Area. She played on Cali Roll (the first year!) and Happy Cows as a youth, Cal Poly SLO Motion in college, and various club Women's and Gender Expansive teams since then. She has also coached at the Bay Area Disc Camps and the National Ultimate Training Camp in Massachusetts. Now living back in Oakland and playing for Nightlock, Thalia is excited to start coaching the next generation of ultimate players from the Bay!

Vienna began playing ultimate frisbee here in the Bay Area and has been on many high school open, girls, and mixed teams, including Cali Roll. She is returning as coach after the shortened 2019-20 season and after graduating from UCSB where she played and captained for the Burning Skirts. She is a player on Sunshine, a Bay Area mixed team, and is excited to grow the team with her high school, college, and club experiences.
